## The passing of Sandy Hamilton, Vice President of the Board of Directors

It is with great sadness that we inform our owners that Sandy Hamilton passed away peacefully on Saturday, November 24 surrounded by her loved ones at the Royal Victoria Regional Health Centre, Canada.

Sandy has been an owner since the late 90's and served on the Board of Directors starting in 2013. Sandy had a large part in bringing Vacation Village Resort many of the new and improved amenities to the Village. Some of those amenities were the renovation of the Lake House, Recreation Hall, Laundry Room, the addition of the gates, cameras, and additional parking. Just to name a few.

Sandy was not only busy here at the Village but she was a business owner of a very successful restaurant called Mylar & Loreta's which last year celebrated 32 years of operations. Shown below is Sandy with her daughter, Amorena and son Spencer.

Sandy was wife to Fred, mother of two and stepmother to four and she was blessed with 13 grand children.

Sandy will be extremely missed. She was a wonderful lady who always had the time to listen, to give a bright smile and a

friendly "Hello".

### Void Porch Pirates by following these 6 tips.

1. Request notifications of your deliveries, via phone, text message or email.
2. Monitor your packages in transit and upon delivery.
3. Always require a signature on your deliveries to ensure packages are never left unattended.
4. Consider sending deliveries to an alternate location where someone will be able to receive them, or to the shipping company's pickup location. **Front Office will not accept packages, from UPS, FedEx or other carriers without prior arrangements and approval from Management.**
5. Schedule your deliveries for a date and time when you will be home.
6. Set up a vacation hold when you are traveling so gifts won't be left the doorstep.

Call your local police department if you become a "Porch Pirate" victim.
