# FARWELL TO FLORIDA POT LUCK

### Social Committee Report – March 20, 2019

Once again we are coming to the close of a successful Social Events Calendar, I would like once again to thank the wonderful group of Volunteers and the Vacation Village staff who made this another successful and enjoyable Winter Season.

Our usual programs were, for the most part well attended, Crafts and the indoor Exercise groups have dwindled a little but those still attracted enough participants to warrant keeping them going. Pot Luck Suppers are always well attended, and we seated between 54-66 people every second Friday with lots of good food. Our Pool Parties at Valentine's and St. Patrick's Day went very well, and our small troupe of entertainers were happy to include "Swan Lake", as interpreted by Gil Mandy, Bob Giffen, Mike Callahan and Rich Kalin, well done guys your performance was very well received!

We will be reviewing all the 2019 programs and there will be a few changes for you when you return in 2020. We now have Pickleball courts laid out in the tennis court as these two sports can share the same space. Pickleball seems to be taking off and we thank Anne McMillan who graciously offered teach us how to play.

As always, we are open to suggestions from our Winter Guests to add or change programs, we will do our best to accommodate.

I did say last season that I would be stepping down as Social Director and that position is still open, in the meantime, thanks to all the help I got this 2019 season from our Vacation Village staff and the "snowbirds" I'm happy to continue until someone else feels moved to step up and take it on – it has been a very rewarding volunteer position but new blood and ideas would be so very welcome.

Safe travels to all the Winter Guests who will soon heading home, hope to see you all next year.

Respectfully submitted by Kay Melvin-Barnes, Social Director. Velma Walker, Carol Murray and Ghislaine Bilodeau, Social Committee members.
