DID YOU KNOW?

The Association needs a key to your unit.

Exhibit 1 to By-Laws of Vacation Village Condominium Association

Rules and Regulations

Item 3 States: "The Association shall retain a pass key for all entrance locks to the condominium units. Unit owners who alter/install any new devices on any entrance of the condominium unit shall provide the Association with new key."

There are many reasons why the Association requires a key but one of the most important is protecting your property. Just recently, there was a water pipe that broke in a unit which flooded two units. Both homeowners were out of town at the time of the incident. If we did not have keys to the units we could not have started the process of removing the water, which would have caused more damage to the units and owners property.

The keys that are given to the Association are tagged with the unit number and stored in a LOCKED cabinet in the manager's office. So if you have changed your lock or you are not sure if we have the current key, please stop by the office to make sure we have a correct key.

SLOW DOWN –SPEED LIMIT IS ONLY 10 MILES

The Front Office has received reports of individuals SPEEDING through the resort. We have many residences that walk every day through the resort. Not only do we have people walking but we have children playing and walking home from the school bus. It would be a tragedy if someone was hurt from not following the rules that are clearly posted.

Vacation Village Residents Enjoyed Bingo & Books Event

On Saturday, January 26th, Vacation Village resident, Karen Croston (author of the K.G. Mystery Series) hosted a Bingo & Books event at the Rec Hall. Good wine and company were enjoyed as various types of bingo games were played with prizes being awarded to the winners.

Karen would like to thank all of the attendees for their interest in her books. All of the proceeds from her book sales are donated to her late brother's scholarship, the Dr. Dale A. Gill Memorial Scholarship, which is given to a graduating senior each year. A total of \$270 was raised!

If anyone missed the event and would like to purchase the books: *Mystery at Sleepy Hollow* and *Mystery at O'Gill's Vineyard* are currently being sold for a bundled price of \$15.00. Please let the office know if you are interested.
