SLOW DOWN –SPEED LIMIT IS ONLY 10 MILES

The Front Office has received reports of individuals SPEEDING through the resort. We have many residences that walk every day through the resort. Not only do we have people walking but we have children playing and walking home from the school bus. It would be a tragedy if someone was hurt from not following the rules that are clearly posted.

Live Music and More Every Saturday in January!

Come & Meet Vacation Village Author at Free Bingo Event!

Karen Croston, Vacation Village resident and local author of the K.G. Mystery Series has always loved writing. Growing up, she recalls writing short stories and being a reporter for her school newspaper.

As a former Human Resources Director for a York, PA School District, Karen was the editor of the District's newsletter and many other publications. After relocating to the Orlando area, she began working at Walt Disney World.

After 15 years, she retired from Disney where she was an executive assistant and decided to pursue one of her dreams – writing. Her first published book, "Mystery at Sleepy Hollow," was followed up by her second publication, "Mystery at O'Gill's Vineyard." Both books are available on Amazon. She is currently working on a murder mystery that will be released in the spring.

All proceeds from the book sales are donated to her late brother's scholarship which she assisted in setting up, the Dr. Dale A. Gill Memorial Scholarship, which is awarded to a graduating senior each year.

She would like to invite you to a Bingo and Books event on Saturday, January 26th in the Vacation Village Rec Hall beginning at 1:30 pm. There will be lots of fun, prizes, refreshments, and for anyone interested in learning about the books, discounted signed copies will be available. Please sign up in the office if you are able to attend this event.
