WHAT IS THE NEW NORMAL?

As states start to reopen, people will have to weigh the risk versus benefit of getting out more, along with their own tolerance for uncertainty. The bottom line, health experts say, is people should continue to be vigilant: Maintain distance, wear masks, wash your hands — and take responsibility for your own health and that of those around you.

Vacation Village Condominium Association is following the Governors mandates for COVID –19 and Phase 1 Re-opening of the State.

At the pool social distancing of 6 feet is REQUIRED.

NO single group larger than 10 people.

If the above rules are not followed the Pool will be CLOSED.
